Five Minds for the Future

It is fortunate for the enlightened discussion of economic
policies, and, it is to be hoped, will be through the
seventies, that at least from one direction, if not from any
other, proposals are being put forward in terms of economic
analysis and predictions of the technical quality, range,
carefulness, consistency and rigour generally shown in the
Hobart Papers. These are the aforementioned mini-meditation
sessions which are practiced throughout the day as they are
actually needed.
