Taming the Catgirl (Lesbian Erotica)

The difference between the individual and the whole of humanity in this respect consists in this, that while the individual in the determination of the comprehension of life, proper to the new stage of life into which he enters, and in the activity which arises from it, makes use of the indications of men who have lived before him and who have already passed through the period of life upon which he is entering, humanity cannot have these indications, because it

all moves along an untrodden path, and there is no one who can tell how life is to be understood, and how one is to act under the new conditions into which it is entering, and in which no one has lived .
